

Autumn / Winter 2021 Workshops

Energise and Tune Up with BioSonic

Tuning Forks

This one-day workshop – which counts for College of Sound CPD will cover:

- 1 Tuning Fork Basics - including advice on holding and best use practice
- 2 Body tuners (C&G) getting the best out of them
- 3 Use with Crystals and Space / Energy Clearing
- 4 The Angel Tuners - use of the 8th / 9th Octave as the gateway to the Angelic realms
- 5 The Octave Spectrum Set - understanding and use of sound intervals also use in chakra balancing
- 6 The Otto and OM Tuners including Sound and Vibration effects
- 7 Other tuning forks use / issues e.g. Brain Balancing and Brain Waves

The emphasis will be on the practical use of tuning forks. If you have tuning forks please bring them with you. If you have not there will be BioSonic forks available for use at the workshop.
